8. SEED WHEAT

Florence (excellent for grazing on coast, and for grain in very early districts; a hard wheat). A wheat of this type is very valuable for green feed. It stands up to dry weather and also extended wet periods and lasts well into the warmer weather. Sown early, yields of green feed are very heavy.

Clarendon ..	5/-	4/11	4/10	—

17. MANURES AND FERTILIZERS

SPECIAL NOTE TO CUSTOMERS SERVED BY RAIL (Not Coastal Steamer).—If ordering the minimum quantity of those manures for which we give a special quotation "on rails at manure works," please indicate when writing whether you wish the fertilizer consigned from works separately from seeds or other goods, or whether you wish it consigned by us from Darling Harbour along with any other goods ordered from us at the same time. In the latter case the cost is higher, but for ease of carting or for other reasons it may suit you to pay extra price and have total order delivered in one consignment. If no indication is given we will consign direct from manure works. Bags weigh approximately 1½ cwt. In most cases, but vary according to kind ordered. The actual weight sent is charged for at the price per cwt. quoted.

as :—Southern Queen, Yellow Strasburg, White Maltese.

YATES' RELIABLE VEGETABLE SEEDS

24.

PRICES BY WEIGHT FOR MARKET GARDENERS AND OTHER LARGE USERS

DELIVERY—POSTAGE or CARRIAGE FREE.—Delivery of all Seeds, Plants and Roots sold is made at Post Office, Railway or Wharf, Sydney, but on Bulk Vegetable Seeds (other than Peas or Beans) invoiced at prices quoted herein, we pay all ordinary carriage charges. Customers desiring Bulk Vegetable Seeds to be sent by other than cheapest method should allow sufficient to cover any extra charges entailed. All bags free.

PRICES.—The prices quoted are those ruling at this date, and while we will adhere to them as long as possible they are subject to change without notice. Reduced rates for large quantities, where available, are shown, and the rate for the largest quantity priced in this list will be charged for any greater quantity. $\frac{1}{2}$ -lb. supplied at lb. rates and $\frac{1}{2}$ -oz. at oz. rates subject to the minimum of 1/3 per item (or 1/- where that rate is quoted herein) mentioned below.

The range of quantities listed should be sufficient for the requirements of all customers other than those ordering in packets. If for some special reason quantities are wanted smaller than the minimum listed here the rate charged will be slightly higher, but the minimum order for bulk seed of any variety must be to the value of 1/3 (or 1/- where that rate is quoted) —otherwise packets will be sent. All vegetable seeds are 6d. per packet, except where otherwise stated.

N.B.—Please carefully write "ozs." or "ounces" and "lbs." or "pounds" to avoid confusion with "doz." and other common abbreviations.

CONDITIONS OF SALE AND NON-WARRANTY as set out on page 1, to which you are referred.

DESCRIPTIONS.—See Yates' Annual, sent free on request. We also publish various free booklets and leaflets on the cultivation of some of the more important kinds.
